COMPANY PROFILE

CCR Re is a medium-size reinsurer with a longstanding franchise in traditional property & casualty and life & health reinsurance, as well as in some selected specialty lines (credit, marine, aviation & space, terrorism), in France and abroad. Its mother company, CCR, is a state-owned reinsurer that provides unlimited covers against natural disasters, terrorist attacks and other extreme risks in France, with the guarantee of the French State. CCR Re is a strategic component of CCR Group which is reflected in its identity, organization and business model.

CCR Re is robust and conservative by culture, but also risk friendly and client centric with a long term commitment view. The company's very strong risk management framework is reflected by the diversification of the business mix and the investment portfolio, the prudent reserving policy, the wide range of mitigation tools that protect the balance sheet and the P&L against peak risks, as well as by the group's governance, organisation, controls and processes.

The primary focus of CCR Re is to provide clients with high quality and cost effective service and to propose new reinsurance solutions relying on its dedicated governance and risk appetite. CCR Re is committed to work very closely with you through a service-oriented partnership, to listen to you, to understand your constraints, to give firm answers to your requests, to help you by providing tailor-made solutions, and to do it in a timely manner.

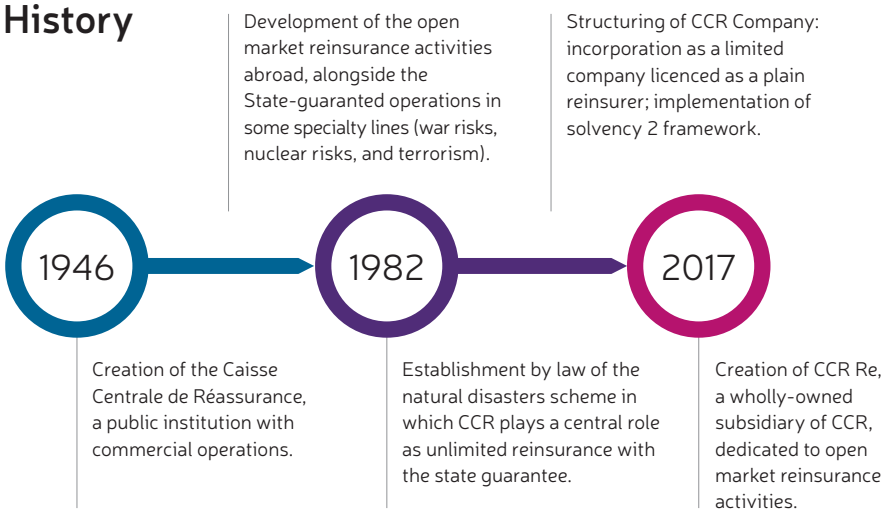

CCR Re's highly experienced and skilled professionals are the experts you can rely on.
